

## Solutions

### REPORTED SPEECH - EXERCISE 8

[www.ejerciciosinglesonline.com](http://www.ejerciciosinglesonline.com)

Completa las siguientes preguntas en estilo indirecto:

1. "Where is the recycling bin?"

Alice asked where the recycling bin was.

2. "Will the pollution have a serious effect on the town?"

George asked if the pollution would have a serious effect on the town.

3. "Have you found a solution to this problem?"

She wanted to know whether we had found a solution to that problem.

4. When are we going to cut down these trees?

Rose asked when they were going to cut down those trees.

5. Can you tell me about this problem?

Paul asked me whether we could tell him about that problem.

6. What environmental projects does your school do?

My brother wanted to know what environmental problems my school did.
